

June 20, 2013

Tim Cook, CEO
Apple
One Infinite Loop
Cupertino, CA 95014

“...with liberty and justice for all.”

Dear Mr. Cook,

Last year we sent you the enclosed letter, which is self-explanatory, and a follow-up letter in March 2013. Would you consider responding as we are going to include the results of this survey in a public release for the 4th of July weekend. Chevron and Walmart have already responded and we look forward to your practice or position at your annual shareholder meetings.

Thank you.

Sincerely yours,

Ralph Nader
