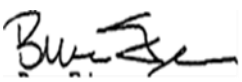
President Joe Biden
The White House
1600 Pennsylvania Avenue, N.W.
Washington, D.C. 20500

Dear Mr. President:

Why, with all the leverage you could have, are you allowing the Israeli government to resume the annihilation of the people of Gaza, over seventy percent being women and children? Already it is a dying, sick, wounded, starving, thirsty, imprisoned populace, deprived of medicine, food, water, electricity, fuel, shelter and all critical public services. Those are Biden's bombs, missiles and F-16s producing the slaughter, this genocide—spreading to the Israeli occupation of the West Bank. Recall President Eisenhower in 1956 when he said NO to the bombing of Egypt. History remembers!

Sincerely,



Bruce Fein, Esq.
